PRIVATE SWIM LESSONS
**ABOUT THE PROGRAM**

**Personalized Instruction for All Skill Levels**

College of San Mateo Athletic Center's *Colt Swim School* is dedicated to providing students with high-quality *private instruction* that is tailored to their individual needs and level of experience. Whether the student is a beginner or an experienced swimmer, our one-on-one lessons are designed to help you improve their skills and gain more confidence in the water. We welcome swimmers of any age to enroll in private lessons.

With our private instruction, students can expect to receive feedback and guidance that is specific to their strengths and areas for improvement. We strive to help students achieve their goals, whether that is learning basic strokes or refining technique for competitive swimming.

Our highly trained staff comprises some of the most experienced instructors in the industry. All of our instructors at Canada College Athletic Center are Red Cross certified and have a wide range of swimming and teaching experience.
