### Updates from Community Fitness

Community Fitness operates Cañada College Athletic Center to the primacy of the students and will engage a Membership Model similar to CSM-Athletic Center with an approximate opening date August 1, 2022. Provisions are under way for a Student Pilot Program providing Cañada College Students a two-month free trial membership, (Zero enrollment and Zero monthly dues) offered exclusively during the opening phase and through September 30, 2022.

Cañada College and SMCCCD Employees will also be offered 50% discounted enrollment fees upon joining during pre-sales and up to September 30, 2022.

While the Membership Team is not yet developed at Cañada College Athletic Center, you can still pre-register your interest at: [smacmemberservices@smccd.edu](mailto:smacmemberservices@smccd.edu). A CC-Athletic Center team member will be following-up towards *the end of June*, with a welcome letter, guide and link to your on-line membership application.
